Message by The Chairman

It is with great pleasure to announce the results of the HSSC (Annual-I) Examination 2026 for BISE Kohat. After a rigorous and exhaustive process, we are proud to present these results.

In our ongoing effort to enhance standards and ensure transparency, BISE Kohat has implemented several reforms. These include online monitoring of examination centers through CCTV cameras, the introduction of a mobile application for online candidate attendance, and the Smart Examination Monitory System (SEMS) for managing UFM cases. We have also made strides in providing paperless online facilities for enrollment, registration, and admission data.

Congratulations to all successful candidates, especially those who have secured top positions. For those who are not satisfied with their results, remember that setbacks are often stepping stones to success. Renew your determination and keep striving, as nothing is impossible.

The results of this examination mark a crucial point in the academic journey of our students. I urge teachers to focus on imparting conceptual knowledge, ensuring that students are well-prepared for their future roles in society and contributing to raising national standards.

I am committed to driving positive changes in our system to better serve all stakeholders and to make BISE Kohat an exemplary institution. I welcome and value suggestions from all quarters to aid in this endeavor.

Best wishes to all.

Muhammad Imtiaz Ayub
Chairman

Message by The Controller of Examinations

Education is a lifelong process and a sacred trust through which we prepare the new generation. Transparent, systematic and fair evaluation is an essential part of this process, and we have been entrusted with this important responsibility.

The result in your hands is the outcome of collective efforts under the able leadership and kind guidance of the worthy Chairman, Mr. Imtiaz Ayub, whose support made the timely compilation of the result possible. I am also grateful to the staff of the Secrecy Section, the Deputy Director (IT) and his dedicated team for their tireless efforts.

Every possible effort has been made to ensure an accurate and error-free result. However, *"To err is human,"* and any minor inadvertent errors in printing or data entry may kindly be overlooked. I extend my heartfelt congratulations to all position holders, their parents, teachers and heads of institutions for their outstanding performance. Their achievement is a reflection of their hard work and the collective efforts of their families and institutions.

Those students who could not achieve the desired results should not lose heart, as failure is often a stepping stone to success. With determination and continued effort, they can turn setbacks into opportunities. I conclude by appealing to all students, teachers and parents to join hands in promoting quality and meaningful education, which is essential for the progress and prosperity of our beloved country.

With best wishes and prayers.
