Message by The Chairman

It is a moment of immense pleasure to declare the result of the SSC (Annual-I) Examination 2026 of BISE Kohat after a long and tireless process of conducting the examination.

As in previous years, BISE Kohat has made every effort to implement reforms that ensure the highest standards of transparency and fairness in the examination process. This includes:

- Online monitoring of examination centers through CCTV cameras, monitored directly from the BISE Kohat Control Room.
- Introduction of a mobile application for real-time candidate attendance.
- Online registration of UFM (Unfair Means) cases through the Smart Examination Monitoring System (SEMS).

We have also taken significant steps to promote a paperless and efficient system, facilitating candidates and institutions with:

- Online enrollment,
- Registration, and
- Admission data submission.

On this significant occasion, I extend my sincere and heartfelt congratulations to all successful candidates — and especially to those who have achieved top positions.

To those who may be disappointed with their results: do not lose heart. Remember, failure is often the key to success. Stay hopeful and determined, as nothing is impossible with renewed spirit and hard work.

This stage in education marks a turning point in your academic journey. I urge teachers to focus on imparting conceptual knowledge, enabling students to become competent and practical individuals, capable of contributing meaningfully to national development and aligning with international standards — a need more vital today than ever.

To conclude, I reaffirm my commitment to introducing positive innovations that benefit all stakeholders and aim to make BISE Kohat an exemplary organization. I welcome and encourage valuable suggestions from all quarters and look forward to your feedback.

Wishing you all the best in your future endeavors.

(Muhammad Imtiaz Ayub)
Chairman
